1. Why did God make the gnats? Why, I won - der why? 'cause when I go

out to play, they fly up in my eye! Some things in life I'll ne - ver know, some

things I'll ne - ver un - der - stand. But I guess in

this big world there's room for ev' - ry one!

2. Poison ivy is a pain!
It grows where I'm not watching.
One day I'm playing hide-and-peek,
The next I wake up scratching!

3. My sister won't share things with me,
My brother's making faces!
The teacher sometimes yells at me
When I don't know where my place is!

4. I don't have to ever like
The things that make me cry.
Besides, I think there's more that makes me
Glad to be alive!
